Straight Ahead

Out of Detroit's lively jazz scene, which has produced some of the best musicians in the world, comes the ground breaking jazz group Straight Ahead. A group of strong, inventive instrumentalists and vocalists, they have shown themselves to be powerful and imaginative composers and arrangers.

Widely recognized for their eclectic and soulful approach to creating music, the Straight Ahead sound ranges comfortably from mainstream jazz, contemporary jazz, latin and jazzy hip-hop. Their live performances are a dynamic celebration of power and joy with a wide range of musical textures, moods and tempos.
